THE DESIGNER

2020

The Grooves Collection by Naji Mourani.

Naji Mourani has been designing spaces since 1992 in the different sectors of Interior Architecture, and since then, he has been connecting people to elements and environments.

Since childhood, his love for designing furniture and products never faded, and he has focused on pursuing his dream since 2017.

Naji has a passion for fine details and is a perfectionist. The beauty of fine details always draws him, and he gets inspired by nature and his surroundings.

Naji says, "every day, nature and beauty surrounds us. A successful design must serve a specific function and blend and complement its environment. To create anything, we need to look closely at nature, understand it, and replicate it".

In addition to his passion for design, Naji enjoys photography, travel, oil painting, and a glass of scotch.
