FLESSIBILITÀ E CREATIVITÀ, le carte vincenti del made in Italy firmato Mobilspazio

GRAZIE AD OLTRE TRENT'ANNI DI PRESENZA SUL MERCATO, L'AZIENDA MARCHIGIANA HA SVILUPPATO UNA STRAORDINARIA CAPACITÀ DI ADATTAMENTO AI NUOVI GUSTI DELLA CLIENTELA. PORTANDO NEL MONDO L'ECCELLENZA ITALIANA.

La storia di Mobilspazio inizia nel 1982, con l'apertura di un'azienda specializzata in produzione di mobili per la casa. Oggi il brand è conosciuto a livello internazionale per la realizzazione di arredi per hotel, complessi residenziali e strutture per l'accoglienza turistica in generale.

"Investiamo molto nella ricerca perché intendiamo allargare ulteriormente il bacino di clientela", spiegano i titolari Simone e Stefano Strologo. "Ed è proprio in questa prospettiva – sottolineano – che recentemente abbiamo conseguito la Certificazione Iso 9001".

QUESTIONE DI FEELING

Ricerca e qualità non sono però le sole prerogative dell'azienda di Ancona. "Il segreto del nostro successo – puntualizzano i titolari – è anche merito della creatività dei nostri designer e della flessibilità operativa dell'intero staff, che ha sviluppato nel tempo una straordinaria capacità di adattamento alle richieste del mercato".

Obiettivo condiviso della squadra di lavoro Mobilspazio è infatti la progettazione personalizzata del prodotto, particolarmente attenta alle necessità espresse dal cliente. "Lo seguiamo dal momento in cui ci commissiona il progetto – spiegano – alla consegna dei mobili. Questo ci dà la certezza di rendere un servizio davvero soddisfacente, che lo invoglia a tornare e a parlare bene di noi".

IL VALORE DELLA TRADIZIONE

Orgogliosa delle proprie radici, Mobilspazio trasferisce nei propri concept di prodotto l'armonia delle forme e dei colori che caratterizzano il paesaggio marchigiano. "Puntiamo a creare spazi efficienti e funzionali che siano al contempo empatici". Dalle sedute ai tavoli, dai divani agli accessori, i designer lavorano per creare ambientazioni armoniose e coerenti, in cui ogni pezzo possa agire in sinergia con gli altri e con lo spazio circostante.
